Our Services

Euro Risk Management (Insurances) Ltd T/As ERM Financial Services is a member of Brokers Ireland.

Our principal business is to provide advice and arrange transactions on behalf of clients in relation to life & pensions and general insurance products. A full list of insurers, product producers and lending agencies with which we deal is available on request. As a credit intermediary, we can also arrange premium finance with premium finance providers.

Fair and Personal Analysis

The concept of fair and personal analysis describes the extent of the choice of products and providers offered by an intermediary within a particular category of life assurance, general insurance, mortgages, and/ or a specialist area. The number of contracts and providers considered must be sufficiently large to enable an intermediary to recommend a product that would be adequate to meet a client's needs.

The number of providers that constitutes 'sufficiently large' will vary depending on the number of providers operating in the market for a particular product or service and their relative importance in and share of that market. The extent of fair analysis

must be such that could reasonably be expected of a professional conducting business, taking into account the accessibility of information and product placement to intermediaries and the cost of the search.

In order to ensure that the number of contracts and providers is sufficiently large to constitute a fair and personal analysis of the market, we will consider the following criteria:

- the needs of the customer,
- the size of the customer order,
- the number of providers in the market that deal with brokers,
- the market share of each of those providers,
- the number of relevant products available from each provider,
- the availability of information about the products,
- the quality of the product and service provided by the provider,
- cost, and
- any other relevant consideration

Life & Pensions/Deposits & Life Wrapped Investments

We provide life assurance and pensions on a fair and personal analysis basis i.e. providing services on the basis of a sufficiently large number of contracts and product producers available in the market to enable us to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs.

We will provide assistance to you for any queries you may have in relation to the policies or in the event of a claim during the life of the policy and we will explain to you the various restrictions, conditions and exclusions attached to your policy. However, it is your responsibility to read the policy documents, literature and brochures to ensure that you understand the nature of the policy cover; particularly in relation to PHI and serious illness policies.

Specifically on the subject of permanent health insurance policies we will explain to you;

- a) the meaning of disability as defined in the policy;
- b) the benefits available under the policy;
- c) the general exclusions that apply to the policy; and
- d) the reductions applied to the benefit where there are disability payments from other sources.

For a serious illness policy, we will explain clearly to you the restrictions, conditions and general exclusions that attach to that policy.

Non-Life

We can provide advice on and arrange products from on personal lines such as but not limited to household, motor and travel insurance; and general insurance such as but not limited to commercial, public liability, employer liability, professional indemnity and marine.

We provide general insurance on a fair and personal analysis basis (providing services based on a sufficiently large number of contracts and product producers available in the market to enable the firm to make a recommendation, in accordance with professional criteria, regarding which contract would be adequate to meet your needs).

In some cases, we may be granted authority from an insurance undertaking to conduct tasks on their behalf, for which we will be remunerated. Where we place your business with this insurance undertaking under this authority you will be notified in advance of the placement. We will also assist you in relation to processing claims on policies taken out with us and in seeking renewal terms on your cover.

To ensure continuity of cover, where you have an existing policy, which is due to expire and where we have been unable to contact you, we may put continuing cover in force whilst awaiting your instruction. You will be liable for any premiums payable to the relevant insurer for the period between renewal and when we receive your instruction. You have the right not to avail of this service.

- Non-disclosure of relevant information;
- Provision of incorrect or inaccurate information;

In particular, without limitation to the generality of the foregoing, the firm will seek reimbursement for all payments made to insurers on behalf of clients where the firm has acted in good faith in renewing a policy of insurance for the client.

Premium Handling

We accept payments in cash, by cheque/bank draft, or electronic bank transfer in respect of all classes of insurances where an insurer/product provider has invited renewal of a policy or accepted a proposal for insurance. We cannot accept cash or negotiable instruments in any other circumstances. For certain Insurance and Investment products we may request that all payments are made payable to the provider of the product in question. Before your money is paid over to the relevant insurer/product provider it will be held in a designated Client Premium Account.

A receipt will be issued for all monies paid and you should keep these in a safe place. Customers must pay at inception date of a contract or on or before renewal date, or as invoiced in the case of mid-term alterations. We cannot pay a premium where the customer has not paid us.

Product providers may cancel cover where a customer has failed to meet their obligations in relation to payment terms and conditions. It is your responsibility to ensure that your payment has reached us and that your policy has been incepted/renewed/amended. If the firm do not receive your renewal payment on or before your renewal date, your policy will lapse and no cover will be in place.

Once a premium is paid to us and you have been provided with a receipt, these monies are deemed to have been paid to the insurer/product providers in question which gives comfort to our customers.

Premium Rebates

We will refund any rebate that becomes due to you within 5 business days of receiving it or having been notified by the insurer that it is due to you. Any rebate due to you will be paid in full and any charges will not be deducted without your prior written agreement in each case.

Sustainability Factors - Investments/IBIPs/Pension Advice

When assessing products, we will consider the different approach taken by product providers in terms of them integrating sustainability risks into their product offering. This will form part of our analysis for choosing a product provider.

A summary of the details of all arrangements for any fee, commission other reward or remuneration paid or provided to us which have agreed with product providers is available in our office or on our website - www.ermfinancialservices.ie

In certain circumstances, it will be necessary to charge a fee for services provided. These are listed above. In other circumstances where fees are chargeable or where you choose to pay in full for our service by fee, we will notify you in writing in advance and agree the scale of fees to be charged if different from fees outlined below. Where it is not possible to provide the exact amount, we will provide you the method of calculation of the fee.

If we receive commission from a product provider, this may/will be offset against the fee which we will charge you. Where the commission is greater than the fee due, the commission may become the amount payable to the firm unless an arrangement to the contrary is made.

Commercial Customers: Non-Consumers Disclosure of Information

(Turnover of €3 m or more in the previous financial year)

You have a duty to disclose all material facts to insurers when arranging an insurance policy throughout the life of that policy and when you are renewing it. Material facts are information that would influence a decision by an insurer whether to accept a risk and if so, on what premium and terms (e.g. are all previous claims disclosed, accidents, incidents, convictions, license endorsements, un-occupancy of a property, medical history, lifestyle questions on assurance proposal forms, change in circumstances such as name, address, etc.). In the event of non-disclosure an insurer has the right to cancel your insurance from inception and claims under your policy may not be met. Failure to make full disclosure may also cause difficulty for you trying to purchase insurance elsewhere. It is essential that you should bring to our attention any material alteration in risk. Any failure to disclose material information may invalidate your claim and render your policy void.

Consumer Insurance Contracts Act 2019

The following sections apply to consumer duties and rights arising out of the Consumer Insurance Contracts Act 2019, which was implemented to protect consumers. Non-Consumer Commercial clients (Turnover greater than €3m) have no duties and rights under this Act, and therefore the following sections do not apply to them.

Consumers: Duty of Disclosure when completing documentation for new business/renewals and midterm adjustments

You are required to answer all questions posed by us or the insurer honestly and with reasonable care – the test will be that of the 'average consumer'.

Before renewal of the contract of insurance, specific questions will be asked. Again, you will be required to answer honestly and with reasonable care. Where you do not provide additional information (after being requested to do so) it can be presumed that the information previously provided remains unchanged.

Failure to answer all questions honestly and with reasonable care can result in the Insurer being able to rely on proportionate remedies for misrepresentation, which include but are not limited to the insurer voiding the contract of insurance. If a policy is cancelled by an insurer for any reason including payment default you may encounter difficulty in purchasing insurance in the future.

Completed proposal forms/statement of fact

Completed proposal forms or Statements of Facts will be provided to you. These are important documents as they form the basis of insurance contract between the insurer and you the consumer. You should review and confirm that the answers contained within are true and accurate.

You are under a duty to pay your premium within a reasonable time, or otherwise in accordance with the terms of the contract of insurance.

Euro Risk Management (Insurances) Ltd T/As ERM Financial Services is regulated by the Central Bank of Ireland.

Company Reg. No. 202240 Republic of Ireland.

A court of competent jurisdiction can reduce the pay-out to you if you are in breach of your duties under the Act, in proportion to the breach involved.

Cancellation of a Contract of Insurance

You may cancel a contract of insurance, by giving notice in writing to the insurer, within 14 working days after the date you were informed that the contract is concluded. This does not affect the notice periods already provided under European Union (Insurance and Reinsurance) Regulations 2015 (S.I. No. 485 of 2015) or the European Communities (Distance Marketing of Consumer Financial Services) Regulations 2004 (S.I. No. 853 of 2004); which is 30 days in respect of life policies, irrespective of whether the sale took place on a non-face to face basis, and 14 days in respect of general policies and only on sales that took place on a non-face to face basis (distance sales).

The giving of notice of cancellation by you will have the effect of releasing you from any further obligation arising from the contract of insurance. The insurer cannot impose any costs on you other than the cost of the premium for the period of cover.

This right to cancel does not apply where, in respect of life insurance the contract is for a duration of six months or less, or in respect of general insurance, the duration of the contract is less than one month.

Post-Contract Stage and Claims

If, in respect of the insurance contract, the insurer is not obliged to pay the full claim settlement amount until any repair, replacement or reinstatement work has been completed and specified documents for the work have been furnished to the insurer, the claim settlement deferment amount cannot exceed:

- 5% of the claim settlement amount where the claim settlement amount is less than €40,000, or
- 10% of the claim settlement amount where the claim settlement amount is more than €40,000.

An insurer may refuse a claim made by you under a contract of insurance where there is a change in the risk insured, including as described in an “alteration of risk” clause, and the circumstances have so changed that it has effectively changed the risk to one which the insurer has not agreed to cover.

Any clause in a contract of insurance that refers to a “material change” will be interpreted as being a change that takes the risk outside what was in the reasonable contemplation of the both you and the insurer when the contract was concluded.

You must cooperate with the insurer in an investigation of insured events including responding to reasonable requests for information in an honest and reasonably careful manner and must notify the insurer of the occurrence of an insured event in a reasonable time.

You must notify the insurer of a claim within a reasonable time, or otherwise in accordance with the terms of the contract of insurance.

If you become aware after a claim is made of information that would either support or prejudice the claim, you are under a duty to disclose it. (The insurer is under the same duty).

If you make a false or misleading claim in any material respect (and know it to be false or misleading or consciously disregards whether it is) the insurer is entitled to refuse to pay and to terminate the contract.

Where an insurer becomes aware that a consumer has made a fraudulent claim, they may notify the consumer advising that they are voiding the contract of insurance, and it will be treated as being terminated from the date of the submission of the fraudulent claim. The insurer may refuse all liability in respect of any claim made after the date of the fraudulent act, and the insurer is under no obligation to return any of the premiums paid under the contract.
